

Trauma & Compassion Fatigue

\$10

Instructor: Stephanie Hadley

What is Compassion Fatigue and Vicarious Trauma? How can I minimize the risk? This session will look at who is at risk for experiencing compassion fatigue, vicarious (secondary) trauma and PTSD. What are the warning signs or symptoms when you or a team member is suffering? How can one minimize the risks, support team members and prevent the impacts while working in trauma related environments? There will be time for questions and discussion, self evaluation tools may be used, and resources and information will be provided.
